

Disclaimer

FTHMM International B.V. states that the content and materials available on the FTHMM International B.V. website are for information purposes only, intended to provide you the relevant information on the benefits and hazards in using our Ultraviolet-C (UV-C) products, and are not intended to diagnose, prescribe or replace the advice of professionals.

We strongly advise you to read on the possible harmful effects of the use of UV-C products. If you have questions about your use of the UV-C products, please review the labeling appearing on the product and the enclosed manual. Be reminded that the UV-C products are not designed to be used on the skin, the eyes, any part of the body and animals, among others. Inappropriate and improper use of the UV-C products could be dangerous and harmful. Always keep the products away from and out of reach of children.

We disclaim any and all liability for any damage arising from your purchase and use of the UV-C products. The UV-C products herein are offered on an as-is basis and no representations or warranties, whether express or implied, are being made to the safety, reliability, durability and performance of any of the products found in this website.

Any statement tending to ensure safety, reliability, durability and performance of the products in all instances, if any, are made only for promotional and marketing purposes. Always be reminded that the products must be used with caution and in accordance with the proper use as indicated in the instructions and / or manuals which come together with the purchased products.

Any purchase of the products made available through this website are final and non-revocable. By confirming your purchase of the products herein offered, you hereby acknowledge and unconditionally accept the terms and conditions for the use of the products as well the disclaimers herein stated.

This website is not a substitute for compliance with the provisions of any and laws, legal requirement, rules, regulations that may apply to the UV-C products. Reliance on any information provided by the Site, or by others appearing on the Site is solely at your own risk.
